

FIRST CALL

ALARM

PROGRAM

FIRST CALL ALARM PROGRAM (FCAP)

We are introducing the First Call Alarm Program (FCAP). In addition to patrol hours, business owners or stakeholders can make our Safety Ambassador their first responder for anytime their security alarm is set off.

In order for this program to be successful, we need the active participation from business owners and stakeholders.

HOW IT WORKS

ASSIGN SAFETY AMBASSADORS AS THE FIRST RESPONDER

Participants must call their alarm provider and adjust the ordering of callback numbers. For example, the order should be first, DSA Safety Ambassadors; second, proprietor; third, Stockton Police Department.
